Exciting news! February 2019

Dear parents and carers

We are very pleased to inform you that Leighswood has now joined the Cadmus Family of Schools. This is the dawn of a new era for our school so please share this great news with your family and friends!

Max Vlahakis is really enjoying leading the school with our wonderful children and our talented senior team and he will continue to do so as the school rapidly moves forward. He has high aspirations for everyone.

As a school we are investing in reading and enhancing the wider curriculum in the new financial year and the PTA is looking to improve the school environment for our children and have plans to stage some innovative events in 2019, including our first fireworks night!

It was also brilliant news last week for the school football team who have made it to the next regional round of the national schools' football cup in Doncaster.

For our parents with children in Key Stage One and the Early Years, we are pleased to announce the creation of a nurture facility. This will focus on supporting children early on in their school life at Leighswood, as research evidence shows that this is when this type of support is most effective.

Finally we would like to invite you to our first coffee morning with Max Vlahakis and the senior team. It will take place on Friday 8th February in the Key Stage 2 hall. It will be a great opportunity to get to know one another and to share some of the exciting things going on.

Best wishes

Max Vlahakis
Madeleine O'Dwyer
Tracey Pearson
Jane Hanmer
